# About Us

Alden Engineers is committed to providing high-quality steel fabrication services to clients across Kerala. With a team of skilled professionals, we have the expertise to handle projects of all sizes and complexities. Our state-of-the-art facilities and cutting-edge technology ensure that we deliver superior products that exceed our clients' expectations. At Alden, we take pride in our commitment to customer satisfaction and work tirelessly to ensure that every project is completed on time and within budget.

In addition to our steel fabrication services, we also offer roofing works, heavy structural works, and glass cladding services. Our team of experts works closely with clients to understand their specific needs and requirements, and develop customized solutions that are tailored to their unique needs. At Alden, we believe that every client is unique and deserves personalized attention. Therefore, we go above and beyond to ensure that our clients receive the highest level of service and quality products. With our commitment to excellence, we are confident that we can meet and exceed the expectations of all our clients.

## Clients Speak

A trustworthy team delivering their products and services with high quality. The commitment in execution of work is appreciable. Highly recommended and wish you all the best.

*Jopen - National Builders*

Very perfect works within low budget. Very reliable and their work quality is very high more than our expectations. All the very best to Alden Engineers team.

*Sajith - Malabar Developers*

I had requirement of steel fabrication at my home. Alden Engineers did a very good job within the stipulated time and staffs are well mannered.

*Vasanth - Ansal Buildwell Ltd*

Very professional Steel fabrication; the finishing and quality of their work is unbelievable ... Many people have asked me where I have got my steel fabrication work done in my building and I have proudly referred Alden Engineers

*Bilal Sait - HHYS*

Excellent workmanship, perfection at its finest  
Recommending to all

*Paven Raj - Stride Building Engineers Pvt Ltd*
